

Fiber Jumpers

Fiber jumpers are a critical part in the installation process and Precision Group offers several great solutions. Our products are made of all Corning Clearcurve LBL and Bend Insensitive. We have Indoor/Outdoor, UV Rated Jumpers with one connector housing left off for drilling smaller holes during installation. Sold in Bulk, Pre-Made Jumpers or Pigtails. We offer Jumpers in 3mm and 4.8mm, and also in Black or White. We also have standard 1.6mm and 2mm Jumpers as well as Armored and traceable jumpers.
