

AC UPS

The Precision Group AC UPS solutions address the applications where AC power is the only choice. Great for Offices, Data Centers, Headends, and much more. Offering solutions for Lead Acid and Lithium, we have a solution to fit your needs.

Online UPS

PPP91

- ✓ High output power factor PPP91 provides near unity output power factor rating (2U units)
- ✓ Charging current 1/2/4/6/8A, adjustable from LCD display. Optimize charging for most battery solutions (2U units only)
- ✓ Maintenance bypass an optional XBDM bypass module enables the PPP91 to be replaced or serviced without interruption of power to critical loads
- ✓ Fast Recharge up to 95% in just 3 hours (2U unit)
- ✓ Multiple communications capability RS-232, USB, and optional Web/SNMP, Modbus, Relay/dry contact cards
- ✓ Efficient operation up to 98% ECO mode efficiency lowers energy consumption
- ✓ Programmable receptacles remote on/off control (2U only)
- ✓ Extended battery runtimes optional matching battery modules available with 1500VA, 2000VA, and 3000VA models for extended runtimes
- ✓ Tower, wall, 2-post, and 4-post rack mounting configurations
- ✓ Hot swappable battery design
- ✓ UL, cUL, RoHS, FCC A, FCC B, TAA compliant (UPS only)
- ✓ 3 years warranty (USA and Canada)

Standby UPS

PPA60

- ✓ Compact design allows for horizontal or vertical placement; keyholes enable this lightweight UPS to be conveniently mounted on a wall
- ✓ Surge Protection guard your electronics against lightning, surges and spikes
- ✓ Auto restart after full battery discharge, the A60 automatically restarts when utility power returns
- ✓ USB Communications USB port enables plug and play communications between servers, desktops, and the UPS
- ✓ Touch LCD provides vital monitoring and precise information (850VA)
- ✓ USB Charging Port USB port allow you to charge your mobile devices during power outage
- ✓ Floor, desk, or wall mount
- ✓ UL, cUL, Energy Star, TAA Compliant
- ✓ 3 years electronics, 3 years battery warranty (USA and Canada)

Lithium UPS

PPJ60

- ✓ Long Life Battery LiFePO4 batteries provide protection for up to 8-10 years or 2000 discharges
- ✓ Web/SNMP Card optional external card provides monitoring of critical UPS parameters, alarms and status (600VA only)
- ✓ Output Power Control optional Web/SNMP card provides remote on/off control of J60 output power to reboot loads (600VA only)
- ✓ Environmental Monitoring optional Environmental Monitoring Device provides temperature and humidity monitoring (600VA with Web/SNMP only)
- ✓ Highest Efficiency J60 operates at up to 98% efficiency saving utility costs and reducing heat output
- ✓ Auto restart after full battery discharge, the J60 automatically restarts when utility power returns
- ✓ Redundant BMS 600VA models includes dual redundant Battery Management Systems insuring cell voltage balancing, current sharing, and protection from over-charge/discharge. 350VA models include single BMS
- ✓ Mounting brackets allows J60 to mount on walls, under counters, or inside enclosures
- ✓ Power outage protection from 6 minutes to hours
- ✓ 5 years electronics, 5 years battery warranty (USA and Canada)
- ✓ UL, CE, RoHS, TAA compliant

Online Tower UPS

PPT91

- ✓ Unity output power factor PPT91 provides industry highest real power rating
- ✓ Extended battery packs optional matching battery cabinets available for runtimes up to 4 hours.
- ✓ Charging current 2A to 8A, adjustable from LCD display
- ✓ Fast Recharge up to 95% in just 3 hours
- ✓ Generator compatibility wide input voltage and frequency windows allow reliable generator compatibility
- ✓ Multiple communications capability RS-232, USB, and optional Web/SNMP, Relay/dry contact and Modbus cards
- ✓ Load shedding capabilities maximize up time for critical loads and equipment by shedding less critical loads
- ✓ Emergency power off allows for compliance with the highest of application safety standards
- ✓ Extended battery packs available
- ✓ UL, cUL, CE, RoHS, FCC A, FCC B, TAA compliant
- ✓ 3 years electronics, 3 years battery warranty (USA and Canada)

AC UPS

The Precision Group AC UPS solutions address the applications where AC power is the only choice. Great for Offices, Data Centers, Headends, and much more. Offering solutions for Lead Acid and Lithium, we have a solution to fit your needs.

Pure Sine Wave Line Interactive UPS

PPP80

- ✓ Auto restart after full battery discharge, the PPP80 automatically restarts when utility power returns
- ✓ 99% efficient operation high efficiency ECO mode lowers energy consumption
- ✓ Smart LCD display vital monitoring and precise information from the front panel
- ✓ Programmable receptacle group maximize uptime for critical loads and equipment by shedding less critical loads
- ✓ Temperature compensation temperature compensated charging to prolong battery life and help reduce replacement costs
- ✓ Hot swappable battery easy to replace without interrupting the load
- ✓ Extended battery runtimes optional matching battery modules available with P80-1500, 2000, 2200, and 3000(V2) models for extended runtimes
- ✓ Maintenance bypass an optional XBDM bypass module enables the P80 to be replaced or serviced without interruption of power to critical loads (excluding P80-3000 model)
- ✓ Pure sine wave output
- ✓ Tower, wall, 2-post and 4-post rack mounting configurations available
- ✓ UL, cUL, RoHS
- ✓ 3 years electronics, 3 years battery warranty (USA and Canada)
